

Welcome

Thank you to everyone for your kind words of encouragement and support as we begin our new term. I am delighted to welcome everyone back. We are so proud of you all. It is wonderful to see pupils in the playground and visit classrooms where lessons are taking place. I am sure our pupils are impressed to see the improvements in our playground and toilet areas whilst they have been absent.

Highlights of my week include the spiritual reflections on our Inset Day and meeting all of our pupils in their year group at welcome assemblies today.

Life at St. Bede's is going to be a little difficult, but working together we will have a fantastic term.

A Back-to-School Prayer

Jesus, in the midst of a changing world we pray that you open our:

- Eyes to see the opportunities before us.
- Ears to listen to the wisdom shared with us.
- Minds to learn new things.
- Hearts to love others like you love us.

Hello From Mrs Hunt!

Dear Prep Family,

We are delighted to have welcomed back our pupils during the last couple of days and have many new children joining us. It was such a joy to see their happy, smiling faces as they arrived at school and see them all so settled in their classrooms on my visits! We know it will take time to adjust to our new routines and procedures but so far they are doing brilliantly and behaviour is exemplary!

Unfortunately, due to current restrictions, we are unable to hold our usual Welcome Evening. You should receive, via email, my letter to parents today outlining some start of term information. Your child's class teacher will be emailing you with information specific to your child's year group.

As we begin our new school year, we continue to keep all of our pupils and their families in our prayers and pray for a happy, healthy and successful year ahead:

Dear Lord,

As we begin this new school year, we ask for your blessing on all who learn and work here.

May those who are new be helped by those who are returning.

May we accept new challenges with eagerness, new risks with courage, and new insights with openness.

Above all, Lord, assist us, in all our learning, to do our best and to grow in understanding of your world.

Amen

Welcome To All Our Prep Pupils
