

**HEADTEACHER'S
MESSAGE**

Thank you for all of your kind messages as we begin this new term. Good luck to pupils in the Upper Sixth and Upper Fifth as you complete your assessments over the coming weeks. We look forward to welcoming pupils to Brantingham Road as the sporting activities resume this Saturday. Enjoy your family time this weekend and think about having a break from electronic devices.

Mrs S Pike
Headteacher

Theme of the Week

Theme of the Week
Jesus is Alive

"Their joy was so great that they still could not believe it."

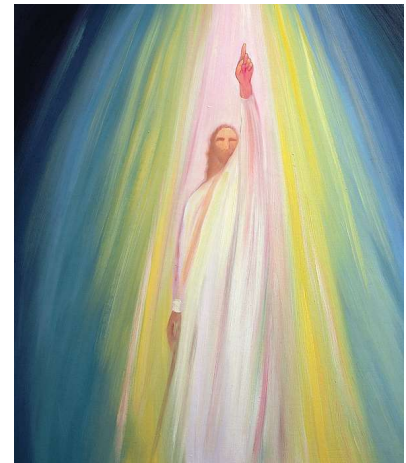

(Luke 24:41)

Challenge

The resurrection of Jesus is the most important fact of our faith. We follow Jesus who is alive today as much as he was in Nazareth. Over the next 40 days he appeared to many people. Eleven of his disciples were killed for their belief that he was alive, that's quite a commitment to a story. Take some time this week to invite Jesus into your life.

Prayer

Lord Jesus, you rose again so that we know you have power over life and death. Where I feel pain, bring me peace. Where I feel sadness, bring your joy. Where I find it hard to believe in you, bring me faith Amen.

Youth Alpha

This term we are starting the Youth Alpha Course, designed to get our pupils ready for the world beyond the comfort of the Sixth Form. The course gives pupils a safe space to discuss and ask questions which reflect upon the small everyday challenges and the deep philosophical questions. Alpha present the youth version of the course in an age appropriate and comical way which engages pupils on the journey.

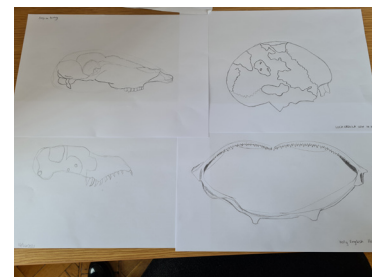

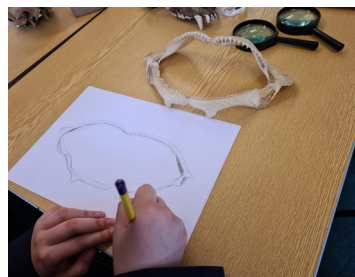

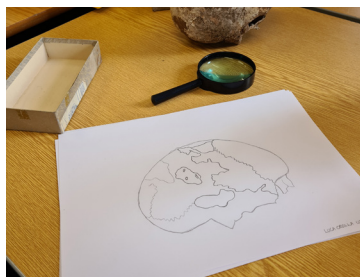

"This will be the fifth time we have run the course for pupils and each time I have seen pupils grow in their ability to reflect and evaluate their understanding of themselves and their faith journey." On Tuesday Mrs Hibbert promoted the course at assembly with the Alpha Youth Series Trailer - https://www.youtube.com/watch?v=_fyjL4NsAfM. Please keep this work in your prayers.

Mrs Hibbert

Lower School Science Club

In the first week of Lower School Science Club our Upper Third pupils produced some fantastic drawings of bones, enjoying the experience of studying bone specimens.

Next week we will be carrying out an eye dissection. It will be at 1.30pm in B4 open to all Upper Third and Lower Fourth pupils.

Siena House Photography Competition

Prior to the Easter Break Siena House and the Art Department received some wonderful entries to an Inter-House photography competition. Pupils were asked to send their best photographs which demonstrate the themes of Spring and Nature. It was wonderful to see pupils using their free time to get some fresh air and show an appreciation of the natural world around them. Here are some wonderful entries from our talented pupils.

Joshua H - U3WIL - Siena
 Faith T - L4POG - Siena
 Josie O - U4HGN - Siena
 Minahil M - U3BRB - Siena
 Rebecca W - U4TEL - Magdalene

Given the quality of the entries, it was decided that the following entries would be joint winners.

1. Liliella C - U3SUL - Bosco
2. Poppy R - U3LEE - Bosco
3. Emily L - U4HGN - Magdalene

They are all wonderful and demonstrated an eye for photography, as well as really capturing the themes of Nature and Spring. Well done to all the pupils involved and we hope that these photos bring a smile to your face and remind you of the hope of good times that are to come with the arrival of spring.

Mr Lee Rodriguez

Piano Award

Congratulations to Prep 4 pupil Bally who recently received his ABRSM Grade 3 Piano certificate with distinction. This is a fantastic achievement, especially for someone so young. Over the Easter holidays Bally also performed his piano recital in EPTA Manchester Spring Concert at Intermediate level. It is a very beautiful piece called Prelude in C Major composed by Johann Sebastian Bach.

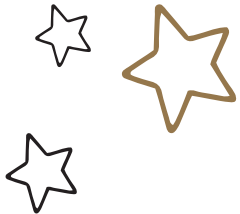

Follow this link for a video of Bally's recital.

Flying The Flag

Zac in Prep 4 entered a flag design competition for his local Ryebank Community Garden. The winning design would be made into an actual flag to be hoisted on a flagpole in the centre of this community oasis. There were many entries and Zac was overjoyed to discover his design had won. Zac was not only there for the ceremony, but he was asked to unfurl and hoist the flag to the top of the flagpole where it waved proudly to all passers-by. Another fabulous achievement from one of our amazing Prep children.
