Friendship

"A person can have no greater love than to lay down his life for his friends." (John 15:13)

Challenge

We share in God's love when we act with love, sacrifice and kindness to others. What can you give up for someone else this week? Can you make a new friend by asking them how they are doing?

Prayer

Lord Jesus, thank you that you offer me your friendship. Thank you that you gave your life for me so that I might know your love. Help me to see others as you see them, with love and compassion.
Amen

World Book Day Winners

Back in March, pupils were invited to take part in a competition to identify mystery staff readers and were also asked to send in photos of themselves reading at home. After some delays, the winners were finally awarded their prizes this week.

Samad sent in a great photo of himself reading and Lyanne correctly identified the staff behind the books. They both received a voucher and chocolates. Well done!

The names of the mystery staff readers have now been revealed and are displayed in the Library.

Lower Fourth Eucharistic Service

Thank you to Mrs Morillo, Mrs Wakwima and Mrs Lavorini's form classes in Lower Fourth who led the Eucharistic Service on Tuesday in the College Chapel for the Feast day of English Martyrs.

Mrs Hibbert

Upper Fourth Futsal

This week was the turn of the Upper Fourth in the House Futsal Tournament. In a closely contested match, Bosco ran out 2-1 winners over Siena. Danny C's team were well organised and had the prowess of Harry O'G in attack. However, there were claims that some suspect officiating by Mr Davies may have aided their cause!

In the second match, Magdalene and Champion played out a well fought 0-0 draw. Louie F was the standout performer in goal for Magdalene, repelling everything that came his way. Next week we return to the Upper Third and hope to see more great action and excellent inter-House rivalry.

Theo At The Trio

The senior's two game series v MGS ended in a 6-2 win after an emphatic comeback after half time. Early team news saw the welcome return of Markel and Ross from respective knee injuries, much to the delight of coach Mr Brown.

The first half saw MGS take a 2 nil lead, showing more determination and hunger. Opening their account with a neat move down their left before a clean strike beat the unsuspected Michael. Early chances fell to Ross and Fidele but both failed to convert. Darius kept the defence water tight dealing with his speedy and dynamic forward. Theo was a constant threat on the right creating several chances for himself and the team. MGS doubled their lead after winning a penalty down the opposite flank. Finely dispatched past the outstretched Michael who guessed the right way into the bottom corner. Malachy carried on his fine form from last week with a Carrick esque performance and was supported well by Fidele and Pat who both had growing influences on the game.

An honest half time team talk and a change in attack saw St Bedes very own Iniesta Markel get on the ball and cause havoc for the MGS defenders with his fine passing range in the final third. A goal mouth scramble in MGS box saw a handball on the goal line. Penalty awarded and dispatched precisely by Theo into the bottom left corner. Just moments later the third penalty of the game was won after a driving run into box from Fidele who was fouled. Expertly finished by Theo once again into the same corner with the same result. The defence was looking strong with Blaine adding calmness and reassurance, supported by Harry who was magnificent, both were flanked by the solid Joel and Billy who has established himself well into the team.

Just like London buses and the goals didn't stop arriving. The team then took the lead after some terrific defensive work to win the ball back by captain Luigi on the left who found his composure to cross to the back post for Tom to attack and tap home. Pat added a special fourth from long range after spotting the keeper off his line from 35 yards. Luigi tucked home to make it 5 and with that Markel came off to a standing ovation from all! Theo ensured he went home with the match ball just before the final whistle with a tidy finish from close range to make it MGS 2 St Bedes 6.

Another fantastic runout for all the boys involved. Once again big thanks to our hosts for making it possible. Mr Brown and Mr Fogel went home happy men after another positive experience from all involved.

MOTM Theo - Worked tirelessly to defend from the front and was a constant menace all afternoon.

Footballs always the winner! Forza St Bede's

A Message From The Queen

We love to hear about the wonderful acts of kindness carried out by our pupils and over the last year there have been so many for us to celebrate.

This week, we would like to share an act of compassion shown by one of our pupils, Evelyn, in Prep 2. On hearing the sad news of the passing of His Royal Highness, The Duke of Edinburgh, Prince Phillip, Evelyn wrote to Her Majesty, the Queen, expressing her condolences at the loss of her husband and saying she would be keeping her in her prayers.

The Queen replied to Evelyn sending her a commemorative card with an image of Prince Phillip and a lovely message inside. This was a thoughtful act of kindness, Evelyn, we are all so very proud of you.

Fia And Her Butterflies

At home, Prep 3 pupil, Fia, has been learning about the life cycle of butterflies and the metamorphosis they go through.

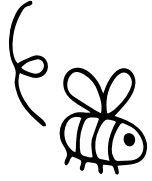

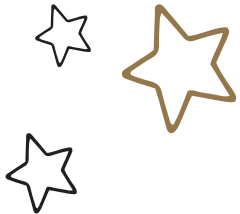

Fia cared for some tiny caterpillars and fed them until they went into their chrysalis state where they transformed into beautiful butterflies.

The beautiful photos were taken by Fia's mum showing Fia releasing the butterflies by the Cherry Blossom Tree in the Prep grounds.
