Sixth Form Prospectus

Grow

**with us**

St. Bede's College is a Catholic HMC Independent College for boys and girls aged 3-18. We are passionate about providing an education where every pupil is known and valued in a family environment.

# Sixth Form Introduction

Thank you for expressing your interest in the Sixth Form at St Bede's College. Our Sixth

Form community comprises students who have completed their GCSE studies at the College as well as those who have joined us from other schools. Whilst our student body is diverse, it is united in its commitment to academic study, its desire for inspiration and its gratitude for the wonderful range of academic and enrichment opportunities provided here.

We recognise the importance of good A Level grades in a competitive world, and our Bedians commence the study of four A Levels in the Lower Sixth; most then choose to study three subjects in the Upper Sixth though some continue to study four.

We believe that a Catholic education is far more than academic study, as it prepares our Bedians to be leaders in society, to be confident in their abilities and to reach the highest levels in their chosen careers.

Bedians are supported in a friendly, inclusive environment and encouraged to grow as independent learners. They are expected to contribute to the wider community through our many charitable affiliations and by assuming roles of responsibility in the College.

We continue to promote the growth of our intellectual culture through the award of Academic Scholarships. Further details can be gained from the Admissions Office: [admissions@sbcm.co.uk](mailto:admissions@sbcm.co.uk).

I am always happy to answer any questions you may have about life in the Sixth Form at St Bede's College.

**Mr Dominic Rose** - *Head of Sixth Form*

**María Kemp** (*Headteacher*) and **Dominic Rose** (*Head of Sixth Form*)

# Be Inspired

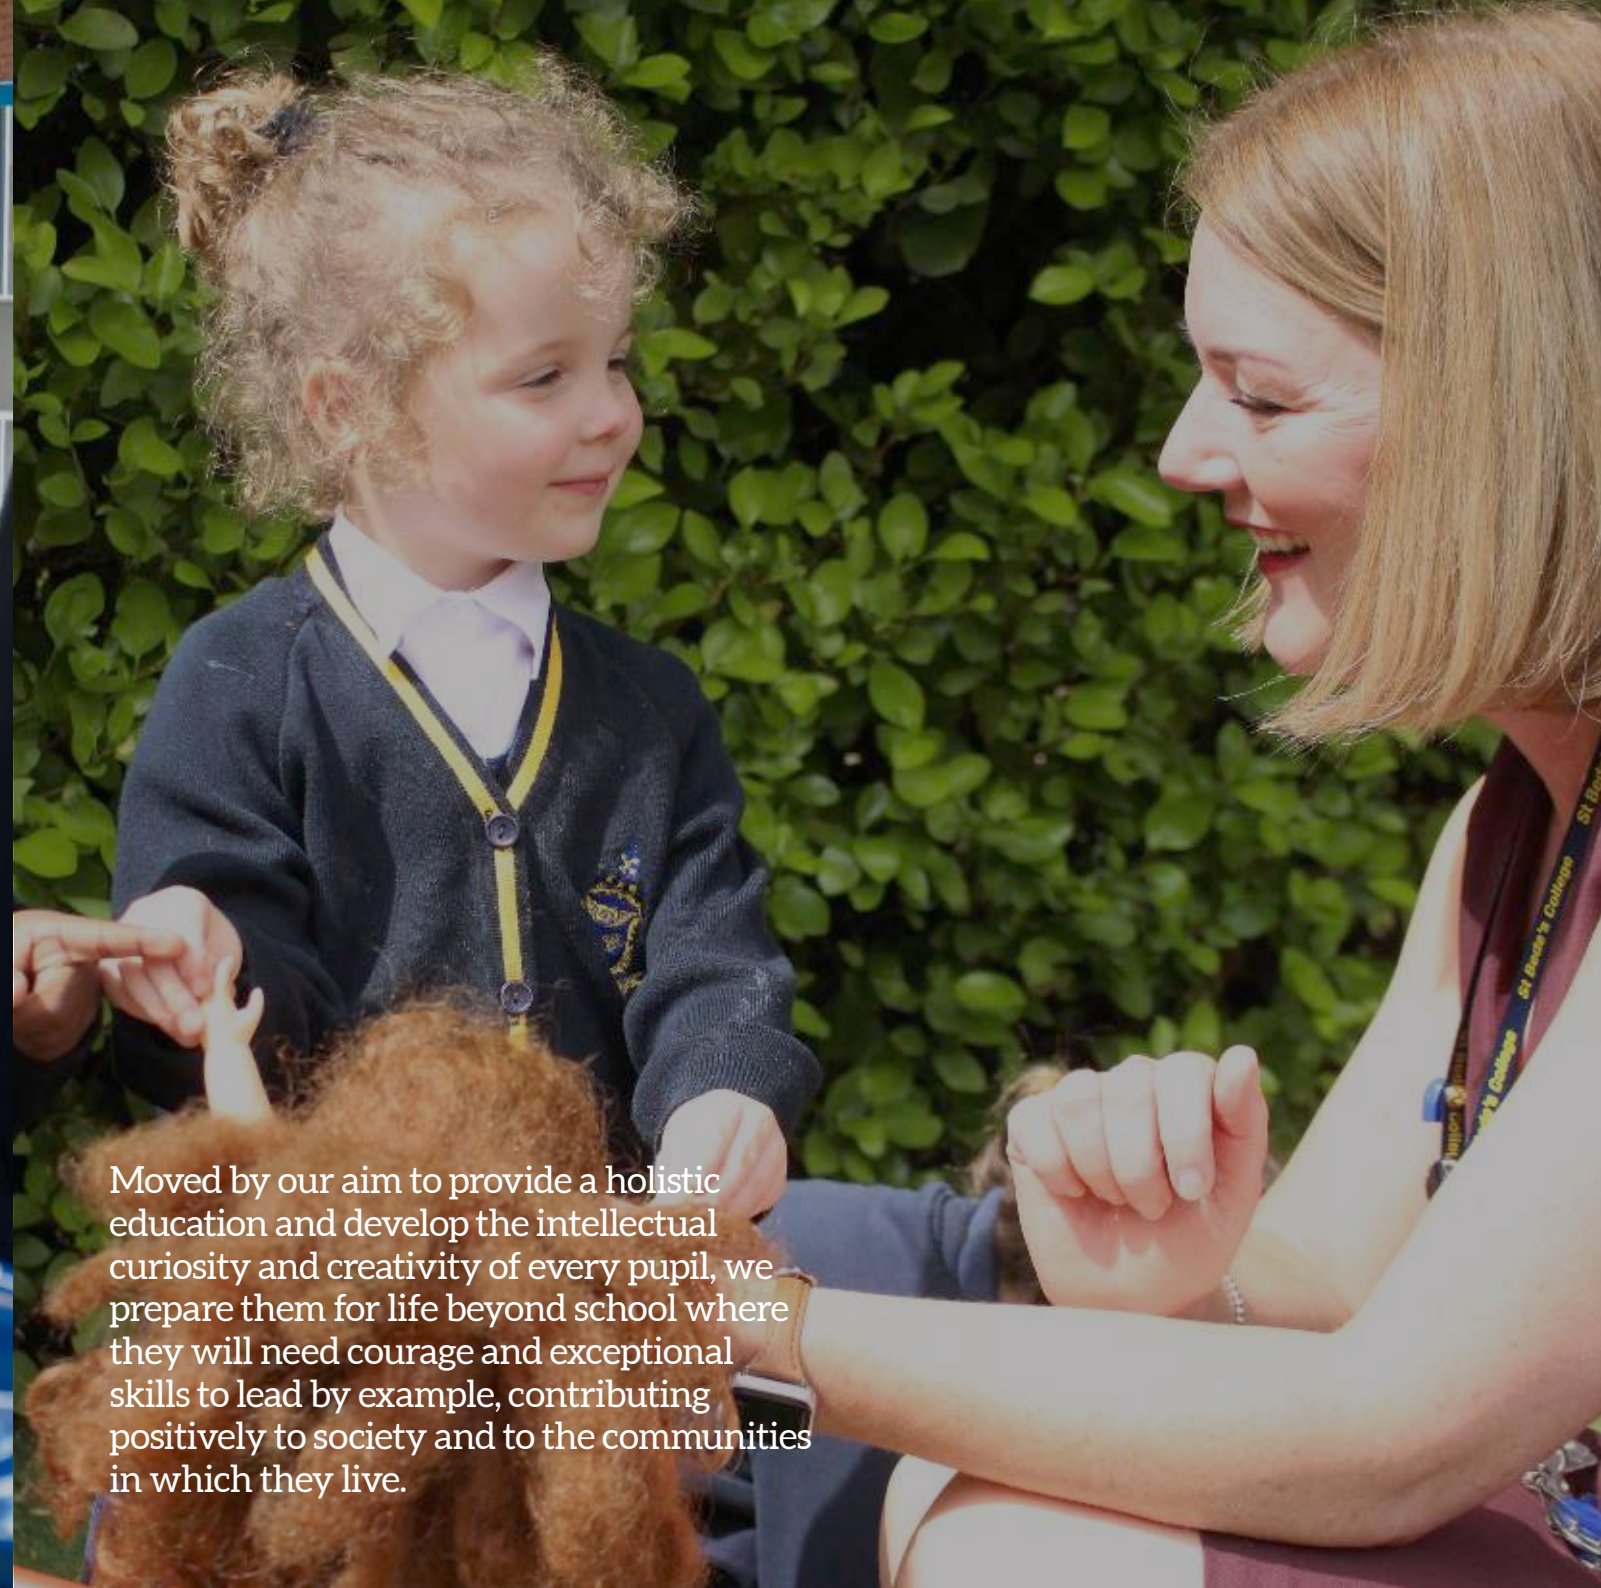

At St. Bede's our students know that they can inspire each other by the way they study, and help themselves and others to grow.

**In awe of the  
world around us**

Moved by our aim to provide a holistic education and develop the intellectual curiosity and creativity of every pupil, we prepare them for life beyond school where they will need courage and exceptional skills to lead by example, contributing positively to society and to the communities in which they live.

# Be Committed

“

“We are masters of our lives, taking responsibility and ownership on how we respond to life’s challenges, and thanks to the unconditional commitment of our teachers and staff who continuously give their best for our children to grow committed to reaching their full potential.”

St. Bede’s Mission

”

Be part of a  
great tradition

We aim to provide the right balance of support and encouragement to motivate each child in reaching their full potential as well as the highest possible outcomes in all aspects; academic endeavours, sporting activities, creative and artistic pursuits, behaviour and interpersonal relationships.

Our pupils participate in a wide range of enriching co-curricular activities such as outreach programmes that help them forge ahead as confident, successful and well-rounded individuals.

“

We believe school should be challenging and children should be happy!

”

# Grateful Be

Founded in 1876 by Cardinal Vaughan, St. Bede's College is a Catholic School, which endeavours to transmit the message of the Gospel rooted in the teachings of Jesus Christ.

We are grateful to God for our students and see their uniqueness as a true gift. For this reason we help them to grow in gratitude and to endeavour to appreciate their parents, teachers, and each other.

Be Bedian

# Headteacher and Senior Leadership Team

# Come and meet us
