Prep Prospectus

A student's worksheet with a grid of small text boxes, likely for handwriting practice or a spelling list. The text is too small to read clearly but appears to be organized in rows and columns.

Grow

with us

St. Bede's College is a Catholic HMC Independent College for boys and girls aged 3-18. We are passionate about providing an education where every pupil is known and valued in a family environment.

Information on Prep

At St. Bede's Prep, our families choose us because we provide an exciting, vibrant, education within a safe and secure learning environment.

On their primary journey, children form habits that will last a lifetime and in the Prep, we want them to develop a life-long love of learning and instil confidence in each individual for the next part of their educational journey.

Our pupils love the Prep because each day is different, each day is challenging but each day is fun and happy here.

We are hugely proud of our diverse and unique multi-cultural community at St. Bede's. It is not just Roman Catholic children that we educate here. It is children from all faiths and all walks of life.

It is a huge privilege to be Head of Prep here at St. Bede's. To lead a school where consistent care for the individual goes hand in hand with excellent teaching and learning, developing children's powers of resilience, courage, enquiry, and interest alongside helping them to care for others and become really good people is the most rewarding part of my job.

We really look forward to welcoming you to visit us in the future and helping you to see for yourselves why St. Bede's Prep is such a special place to be.

Be Inspired

At St. Bede's our students know that they can inspire each other by the way they study, and help themselves and others to grow.

**In awe of the
world around us**

Moved by our aim to provide a holistic education and develop the intellectual curiosity and creativity of every pupil, we prepare them for life beyond school where they will need courage and exceptional skills to lead by example, contributing positively to society and to the communities in which they live.

Be Committed

“

“We are masters of our lives, taking responsibility and ownership on how we respond to life’s challenges, and thanks to the unconditional commitment of our teachers and staff who continuously give their best for our children to grow committed to reaching their full potential.”

St. Bede’s Mission

”

Be part of a
great tradition

We aim to provide the right balance of support and encouragement to motivate each child in reaching their full potential as well as the highest possible outcomes in all aspects; academic endeavours, sporting activities, creative and artistic pursuits, behaviour and interpersonal relationships.

Our pupils participate in a wide range of enriching co-curricular activities such as outreach programmes that help them forge ahead as confident, successful and well-rounded individuals.

“

We believe school should be challenging and children should be happy!

”

Grateful Bede

Founded in 1876 by Cardinal Vaughan, St. Bede's College is a Catholic School, which endeavours to transmit the message of the Gospel rooted in the teachings of Jesus Christ.

We are grateful to God for our students and see their uniqueness as a true gift. For this reason we help them to grow in gratitude and to endeavour to appreciate their parents, teachers, and each other.
